11 Moorland Close 01522 788962

Cllr. Diane Cook
9 Bells Court 01522 789207

Parish Clerk:
Debbie Parker 01522 789630

28 High Street
Carlton Le Moorland, LN5 9HT
Or Email: carltonle Moorlandpc@gmail.com

Parish Council Meetings during 2021

The Council are still meeting to ensure that the essential business matters are dealt with during this difficult time. The meetings take place on the second Wednesday of each month (except August) at 7.30pm.

The meetings are being held via video conferencing. See noticeboard or website for meeting details and contact the clerk if you would like to join the meeting.

VILLAGE WEBSITE & FACEBOOK PAGE

The new Parish Council Website www.carltonle Moorland.org.uk is full of information about the village. Carlton Le Moorland Village Information Facebook page is a noticeboard for items which are relevant to the village—e.g. road closures

PHOTO COMPETITION

What did you do during lockdown? How did you fill your time? We would like to hear about any interesting and innovative ways you occupied your time during lockdown.

Please send a digital photo of any activities or projects to

Debbie Parker at carltonle Moorlandpc@gmail.com

We would like to publish a gallery on the website or in the next newsletter as we thought it might be interesting, when the crisis is all over, to look back at some of the ways we all adapted to the 'new normal' of lockdown.

- THANK YOU -

The Parish Council would like to thank everyone who has helped support our community during the current crisis. Collecting prescriptions, doing the shopping, walking the dog, or simply making a telephone call to make sure a neighbour is not forgotten have all made it easier for members of our community to cope during this difficult time. Thank you to all.

CARLTON WILDLIFE CONSERVATION PROJECT – VOLUNTEERS NEEDED

The Parish Council aim to make improvements to the Sands pond and its surroundings to help maximise its potential for wildlife bio-diversity. Our plans include: landscaping to create a much safer gradually shelving bank for planting marginal vegetation; creating glades for shade-loving native plants and wildflowers; improving public accessibility and safety.

First jobs to be done:

- Trimming back briar growth
- Lopping overhanging branches
- Uprooting self-set willow sapling
- Creating 'bug shelters'
- Making and siting bird, bat boxes & hedgehog boxes
- Monitoring wildlife

When:

- An hour or two on a weekday morning during the winter months from 10.30 am to midday

What you will need to bring:

- Sturdy footwear and suitable outdoor clothing
- Gardening gloves
- Loppers and/or secateurs

Government guidelines, including social distancing, will be observed throughout

If you would like to help please contact Councillor Fred Jacques, tel: 788962, mobile 07419134133 or email fjacques007@hotmail.com.

CHRISTMAS CAROLS AROUND THE TREE

Unfortunately due to Covid-19 we will not be holding the annual 'Carols around the Christmas Tree' event this year.

The Parish Council thanks the Bassingham Ball Committee once again for providing the village with a Christmas Tree.

Also to Santas helpers who decorate the tree (and remove it after the festive period) and the Church who allow for the lights to be illuminated!

A PLEA TO ALL DOG OWNERS

Dog poo left on verges and pavements seems to have increased during the lockdown. Please help keep the village clean by clearing up after your dog.

SAFETY ON THE PATHWAY

Recent incidents emphasise that all must consider the safety of others. The Pathway was designed to provide a **shared, safe** route for pedestrians, cyclists and others. Safety on the Pathway relies on good practice by all users. We need to be aware of each other.

Cyclists: ring your bell and slow down when approaching pedestrians.

Pedestrians and others: move to one side to allow cyclists to pass.

Everyone: Use of headphones or phones makes you less aware so you may not hear warnings.

Keep looking and listening
