SANDS VILLAGE POND AND SURROUNDING AREA

Work on the village pond and Sands area has been completed for this year and we await our Spring arrivals in 2023! The surface of the pond has been exposed to more light by further removal of willow and extra foxgloves, reedmace and reeds have been planted.

A "wildlife corner" has been established as a mini conservation area and, for safety reasons, the footpath on the southern edge of the pond has been widened.

Robins and bluetits continue to use our nest boxes which have recently been inspected and cleaned ready for next year. Consideration is being given to installing an owl box for 2023!

Next Spring/Summer we hope to hold pond dipping sessions for anyone who may be interested.

Volunteering continues and is open to anyone! Everyone is welcome!

If you are willing to help in anyway whatsoever with future volunteer projects then Please do not hesitate to contact Fred Jacques on (01522)788962.

BASSINGHAM CROSSROADS

We are pleased to report that the LCC Highways Department have agreed to reinstate the road markings which help create a staggered junction at the crossroads of Bassingham Road and Broughton Road. Hopefully this will help reduce the potential for accidents for drivers wishing to drive straight over the junction into Vicarage Lane

CARPET BOWLS —After the return of Carpet Bowls sessions at the beginning of October, a group now meets regularly every Monday afternoon in the Village Hall, 2pm to 4pm. The relaxed and friendly atmosphere, coupled with the chance to enjoy a tea and chat whilst playing, make this a pleasant way to spend an afternoon. Why not come and join us?
