

NEWSLETTER

Spring 2022

Welcome to the Spring edition of the newsletter which provides some news from the village, useful contacts and information.

****** ANNUAL PARISH MEETING— WEDNESDAY 11TH MAY 2022******

The Annual Parish Meeting will be held on Wednesday 11th May starting at **7.45pm**

in Carlton Le Moorland Village Hall.

This is a public meeting and provides an opportunity for parishioners to raise any matters of interest or concern within the parish.

Please also come along and tell us what you think should be improved or otherwise in our village.

The Annual General Meeting of the Parish Council will follow after the Annual Parish Meeting.

Goodbye and Welcome

The Parish Council has recently received the resignation of Ian Macleod as Parish Councillor who is moving away from the village and we wish him well for the future. We welcome Ewan Marland who has lived in the village for over 20 years and was co-opted to the council in April.

THIS IS WHAT YOUR PARISH COUNCIL HAVE BEEN WORKING ON AS A PRELUDE TO THE CELEBRATIONS OF THIS MOMENTOUS YEAR IN THE LIFE OF THE NATION.

Platinum Jubilee—Queen's Green Canopy Project

As part of the Queen's Green Canopy Project, the Parish Council were successful in obtaining a number of trees from Lincolnshire County Council Treescape Scheme. The trees will provide part of a national effort to plant specimens, avenues, copses and whole woodlands to recognise and honour the queen's remarkable legacy, which she has built during her reign.

By kind permission of the Lincolnshire Agricultural Society, 2 field corner plots, one off Back Lane, behind the Sands and another near the junction of Bridle Lane with Brigg Lane, in roadside verges along Broughton Road, and in the Playing Field, have been planted by members of the council with the support of volunteers.

The trees chosen comprise mixed indigenous species, including Oak, Beech, Common Alder, Field Maple, Hawthorn, Rowan, Silver Birch, Small Leaved Lime, Sweet Chestnut, Wild Cherry, Hornbeam, Walnut and Crab Apple. This will leave its own green legacy in years to come, bringing benefits for people, wildlife and the climate.

We have informally called the Back Lane planting, 'The Queens Copse' (Photo 1) and that off Bridle Lane, 'The Dukes Plantation' (Photo 2), in memory of His Royal Highness, the Duke of Edinburgh. We hope that the scheme will continue into the future and this years efforts added to.

During the early years of growth, the trees will need a little support and we hope that residents will assist us in helping keep the weeds at bay and giving them a drink. Meanwhile, if anyone feels that they would like to donate a tree of their own, which must be native, please contact the Parish Council for details.

Queen's Platinum Jubilee

At a meeting of residents held at the village hall on 26th February 2022, those attending agreed on the following proposed calendar of events:

Thursday 2nd June

Lighting of the beacon at Sands Lane will take place at 9.15pm. Residents are requested to gather from 8.30pm.

Wine, kindly provided by The White Hart, and "nibbles" will be available.

Sunday 5th June

Children's sports/activities session at the playing field from 12 noon

'Open tea party' on Sunday from 2.30pm, taking place between the Village Hall and the White Hart. Residents to bring their own food, drinks, tables and chairs etc.

The White Hart will make complimentary seating available and there will be an option to purchase food and drink. The residents would like to express their thanks to The White Hart for their support. In the event of inclement weather, the party may be held in the Village Hall (max of 100 persons).

NOTE: Church Street will be closed – except to residents – from 10am until 5pm on Sunday 5th June.

This will be an event organised by residents—not the Parish Council. No point of contact was given for the arrangements at the time of printing.

More Platinum Jubilee news.....

The Parish Council have purchased two seats to commemorate the Platinum Jubilee, one to be sited on The Sands (near Back Lane) and another in front of the Church in Church Street. There are also plans to look into refurbishing the existing seat on Norton Disney Road.

ALLOTMENTS

The Parish Council has a number of allotments in the village which are available to rent. If you are a resident and are interested in taking on an allotment when one becomes available, please contact the Parish Clerk.

STREET PARKING AND ACCESS FOR BUSES

Please could residents who regularly park on Church Street and Vicarage Lane please ensure that buses can access the village to collect passengers waiting at the bus-stop outside the Church.

Thank you

DOG FOULING

Dog fouling on public footpaths and verges continues to be a problem in our village – **there is regular fouling left on the High Street footpath between the junction with Church Street and Clay Lane/Bridle Lane.**

Please keep the village clean by checking what your dog is leaving behind and pick it up after them! There are **six** dog waste bins and **two** other general waste bins you can use – plus you can use your black domestic waste bin too!

NORTON DISNEY 'BIG COMMUNITY DIG' PROJECT

Norton Disney History and Archaeology Group has contacted the Parish Council seeking a financial donation for a two week community excavation being planned for September 2022.

This will involve community members spending time in trenches excavating the archaeology close to the site of Norton Disney's Roman Villa. If there are any residents who are interested in taking part, please contact the Parish Clerk by **31st May 2022** so that the Council can gauge the level of support for the project from within the village.

The Pond and Sands area

The work on the village pond has continued over the past 12 months and, with the arrival of Spring migrants, any further work will be reduced to a minimum with a view to keeping the area "tidy". A large amount of invading willow has been removed, water courses cleared, plants - generously donated by village residents - including forget-me-not, celandine, flag iris, comfrey and foxglove have been planted, wild flowers sown and further division of snowdrops has been accomplished following last years successful division which resulted in a good show of blooms along Back Lane in Spring.

Two new paths-see 'photos- have been created to provide (a) an alternative view of the pond and (b) access to a woven bird screen. Both paths are wheelchair/pushchair friendly.

A big thank you to all who continue to work hard for the benefit of our lovely village!

VILLAGE HALL NEWS!

Even More improvements at the Hall

Using the last of our surplus Lottery grant, we have extended the hall's rear patio, upgraded the southern fence and, behind the hall, built a store for the outdoor furniture.

Now we are about to buy safety fencing for the northern boundary and '.. does anyone fancy a game of table tennis?' Of course, we have already purchased outdoor furniture, blackout blinds and indoor carpet bowls equipment. Thank you National Lottery.

Carpet bowls in Carlton

Since last autumn, a group has been enjoying carpet bowls in the Village Hall. As the outdoor season commences, this group is paused. However, we will return next September! All will be welcome whatever your ability! Equipment is provided and this friendly group enjoys a cup of tea during each session.

See you in the Autumn!
